February 2012

Advance advice of a print exhibition:

OUR NEW ZEALAND THROUGH THE ART OF PHOTOGRAPHY

To be displayed in TOKOROA 12-18 OCTOBER 2012

Much has changed in photography over the past decade, we now make our photographs with 'pixels' rather than film & silver, thus our Camera Club has decided to change the way we conduct an exhibition of our photographic prints.

The South Waikato Camera Club, with your help, invite your Members to be part of this Exhibition with differences, it will be a simple and inexpensive way for your Members to participate and entry is restricted to Members of Camera Clubs within the Central North Island. The Exhibition will be made up of 60-65 of your prints selected through a process of first viewing Digital Files of your entry then advising you which files to print for hanging in the Exhibition.

PROCESS:

email digital files of up to THREE of your images by **1 July 2012**. NO ENTRY FEE required at this time.

A Selection Panel will view these files & you will be notified (by **16 July 2012**) which of your images will be Exhibited.

Then and ONLY then you are required to make your print(s) for display in the Exhibition. The closing date for receipt of prints is **1 October 2012**, along with a fee of \$10:00 to cover venue hire etc, plus return freight.

AWARDS:

Once the Exhibition is hung, an invited guest judge will nominate the Award winners of GOLD, SILVER, BRONZE and Honours, there are of course Acceptance Cards and illustrated Catalogue for the successful entrants.

The South Waikato Camera Club will have an Award presentation ceremony on the afternoon of **13 October 2012**. Your Members are of course welcome to attend this function or visit to view the Exhibition during the period **12-18 October 2012**.

Details of the entry process and technical requirements will follow on the Entry Form which will be distributed over the next month. Any immediate enquiries can be made to Roger Brownsey 8 Benmohr Pl, Tokoroa 3420 ph.07 886 8741
